

FREQUENTLY ASKED QUESTIONS

CSB/SJU HEALTH FORM

What are my delivery options to submit my CSB/SJU Health Form?

A MAIL: CSB/SJU HEALTH SERVICES
RE: Health Form
37 South College Avenue
St. Joseph, MN 56374

FAX: (320) 363-6396

International Students: Do **NOT** mail your Health Form. You can submit your completed form at International Student Orientation or fax the completed form.

Where can I find the Health Form to print?

A www.csbsju.edu/health-services/csbsju-health-form

When is my Health Form due?

A The completed form is due by *June 15* if starting classes in August and *February 1* if starting in January.

What happens if I do not submit my Health Form by the deadline date?

A A hold will be placed on your class registration for the following semester until your form is received.

Where can I check the status of my Health Form?

A After submitting the form, please allow 5 business days for processing, then check your status on the Forms Portal: <https://apps.csbsju.edu/enrolledstudents/login>

How do I remove a registration hold?

A To remove a registration hold, complete the steps in the non-compliant email message that was sent to your CSB/SJU email address or visit www.csbsju.edu/health-services/forms-and-policies/remove-registration-hold

Do I need a physical exam before completing my Health Form?

A No, you just need to request an official copy of your Immunizations Record from your primary care doctor.

Can I attach my Immunizations Record from my clinic to the Health Form and submit it?

A Yes, you can attach an official copy of your Immunizations Record from your clinic to the form, and your health care provider does *not* need to sign it.

Does my health care provider need to sign my Health Form?

A A signature is only required if you need a medical exception for the required vaccines (Td and MMR).

What immunizations are required to attend the College of Saint Benedict and Saint John's University?

A Minnesota law requires proof of immunization against Measles, Mumps, Rubella, Tetanus and Diphtheria.

Am I able to file an exemption for the required vaccines?

A The Minnesota vaccine law allows medical and non-medical exemptions that must be notarized or completed by a health care provider.

What other vaccinations should I consider?

A The following vaccines are not required but recommended: Meningitis, Hepatitis A and HPV (Human Papillomavirus to protect against cervical cancer), Hepatitis B, and Varicella.

What if I have additional questions?

A Email: healthform@csbsju.edu Messages are checked intermittently and will be returned within 5 business days.
