Our Credo

We believe

- In sharing our spirit
- That our power well-used is a route to positive change
- That personal strength is a prerequisite for helping others
- There is joy in giving back to those who have given to us
- That leadership is in service to the greater good
- That personal wealth can be used to strengthen others
- In mentoring the women who come behind us
- Intelligence is a gift to be developed to its highest levels
- That our worth is no less or no greater than the worth of others

Our Pledge

We act to

- Lead to the fullest extent of our talents
- Promote justice in our world
- Preserve our environment
- Direct our power toward the common good
- Empower other women
- Empower those less fortunate
- Influence history
- Make our presence felt and voices heard
- Recognize those who are not at the table and invite them in
