Email: registrar@csbsju.edu

Special notes/announcements:

On page 5 of the class schedule under the heading Internships, the call # for DNA 397 (pending internship) should be 10331

Are you interested in medical school? What prerequisite courses do you need? What does the application process involve?

5:30 – 6:30 p.m., Thursday, November 7, 2002, 140 New Science Center, SJU

Refreshments will be served

The CSB/SJU Pre-medicine program is holding an informational meeting for interested students. We will talk about general features of the application process, timing and scheduling of prerequisite courses, the profile of a successful applicant, among other topics. Students will have the opportunity to meet CSB/SJU pre-med advisors, sign up for distribution lists and ask questions.

All interested students are welcome, but first and second year students are especially encouraged to attend. This is a great time to sort through various required courses in preparation for upcoming registration for Spring 2003.

Please contact Mani Campos, Dave Mitchell, Jeff Anderson, or Dave Huber if you have any questions.
