### **WEBSTER code information:**

Did you know that your WSC code is the code you use in addition to your SSN to access your records through WEBSTER. This code is used when you first access WEBSTER and is valid for your entire academic career at CSB / SJU.

You receive a registration PIN each semester through your advisor which is used to register for classes and to drop or add through the 4th day of classes during that semester only. This code is separate from your WSC code.
