Course Description:

NRSNG 362-01: Health Care Policies, Leadership & Mgmt in Nursing, 4 cr.

Instructor: Kathy Twohy

In this course the learner will develop knowledge and skills to effectively integrate designer, manager, and coordinator of care roles in community-based and population-focused nursing practice. Contextual factors, such as policy decisions, economics, and social values and norms, which enhance and constrain health related-decisions will be explored. Learners will activate the leadership role of the professional nurse in influencing policy and economic factors shaping health and healthcare.

WEBSTER & PIN code information

Your **WSC code** is the code you use in addition to your SSN to access your records through WEBSTER. This code is used when you first access WEBSTER and is valid for your entire academic career at CSB / SJU. You may change this code to something easy for you to remember once you have signed into WEBSTER.

You receive a **registration PIN** each semester through your advisor which is used to register for classes and to drop or add through the 4th day of classes during that semester only. This code is separate from your WSC code and is used only for the purpose of registration.
