CORE 390-14A: Race & Justice in American Legal History

Eugene Garver

This course will look at the history of racial equality as treated by the U.S. Supreme Court. Primary focus will be the three crucial cases of Dred Scott vs. Sanford, Plessy vs. Ferguson, and Brown vs. Board of Education, but we will also extend the history a bit on both ends, looking at arguments about slavery at the founding of the Constitution, and at cases from the 60 years since Brown. We will try to put the legal history in a wider social context, and look at changing meanings of equality over the last 200 years.

NRSNG 206L-01A: Adolescent Health Risks Across Cultures

Lindsay Anderson

Cultural selectives provide students with the opportunity to study or explore a variety of nursing topics at the lower- and upper-division levels. All selectives include a cultural component. Courses are designed to allow students to choose selectives based on their personal interest as well as the depth or breadth which they choose to study/explore the topic. Prerequisite: Must be admitted to nursing major and varies depending on level of topic studied.

This course is designed to expand the students' understanding of the importance of cultural aspects of health necessary for professional nursing practice. The course will focus on the health risk behaviors of adolescents across a variety of cultures. Students will begin by understanding their own cultural group's health risk behaviors. They will then focus on the health risk behaviors of adolescents from a specific cultural background of their choice.

Internship information

If you are planning on doing an internship or an independent study and don't have the paperwork completed at this time, don't forget to sign up for one of the following:

DNA 397-01A Call #12799 "pending internship"
DNA 271-01A Call #12797 "pending independent study"
DNA 371-01A Call #13616 "pending independent study"

Enter the appropriate credit amount to ensure you are at your proper credit amount until your completed forms are submitted to the Registrar's Office.

Please use one of the numbers listed above instead of signing up for another course you do not intend to take. This denies another student the opportunity to take the class.

STUDENTS ARE ELIGIBLE TO REGISTER FOR AN INTERNSHIP ONLY IF THEY HAVE:

- Settled all current charges with the Student Accounts Office
- Completed the Registration for Internship Form – Preliminary Learning Contract
- Applied for graduation if they are classified as a Senior or 4th year student

If any of the items are not complete, the student may not begin work at the internship site. Failure to comply with any of these requirements may jeopardize the student's ability to earn academic credit for the internship.
